Map of San Jose area showing various locations and roads. Legend: Normal (green), Fault (red), Warning (yellow).

The screenshot displays the PowerCommand Cloud web application. At the top, a navigation bar includes the user's name 'HELLO, JOSEPH' and links for 'MY PROFILE', 'CUSTOMER SUPPORT', 'HELP', and 'LOG OUT'. Below this, a red header bar features the 'Cummins PowerCommand Cloud™' logo and two tabs: 'Dashboard' and 'Account Management'. The 'Account Management' tab is selected, and a red arrow points to it. Under the 'All Accounts' dropdown, there are three summary cards: '0 SITES' with a globe icon, '0 SITES IN FAULT' with a red octagonal stop sign icon, and '0 SITES IN WARNING' with a yellow triangular warning sign icon. Each card has a 'FILTER VIEW' link. Below these cards, a map of the San Jose area is shown, with a legend indicating 'Normal' (green), 'Fault' (red), and 'Warning' (yellow) status. A 'No sites available' message is displayed on the left side of the map area.
